## Tamwood Project Period

One of the most exciting aspects of the counselor role is the opportunity to instruct Tamwood campers in a project. This is a one and a half hour period four days a week where students go to their selected groups for instruction in a skill, activity or project.

Projects for the summer are chosen based on the unique skills and abilities that are brought to us through our staff team. We will be asking you to submit at least, but not limited to, one project idea for us to review along with your application. We encourage you to use your imagination. If we don't already have the supplies and equipment then we will acquire them if we decide to schedule the project. Keep in mind projects that have supplies that are easily accessible (Ex. supplies that can be purchased at a local craft store; video cameras are often difficult to access).

Candidates that are selected to work at Tamwood this summer may be called upon to teach the project suggestion(s) they submit with their Tamwood application.

### Submitting your Project Period Proposal:

Submit project proposal(s) along with your Tamwood job application. Each proposal should be no more than 1 page in length. Please note that each proposal should include an introduction, the development of the activity and a closing activity. A sample format is provided; please use a separate page for each project you submit. Each proposal should include the following:

- Project Name
- A general description of the project (2 or 3 sentences)
- The age group that this project may be best suited to
- The minimum and maximum number of participants in order to run the project (if applicable)
- An introduction to the project
- A step by step breakdown of what the students will be doing/learning on each day
- An outcome to the project (ex, play a game with the new learned skills, have a dinner party if you've made food, perform a skit after learning drama skills, etc.) This closing activity will take place at the end of the week.

#### *Examples of past projects:*

*Karate, Break-dancing, Survivor skills, Magic lessons, Cooking, Fort Building, Theatrical Make-up, Wooden Game Building, Yearbook, Fashion Design, Juggling, Theatre, Leadership, Wellness and Spa, Salsa dancing, Frisbee Golf, Tai Bo, Choir, Piñata Making, Science experiments.*

*Thank you and we look forward to reviewing your application.*
