International Experience Canada (IEC) is the Government of Canada's flagship youth mobility program, facilitating work and travel opportunities for thousands of Canadian and foreign youth each year.

As a **Recognized Organization (RO)** of IEC, GO International has been designated a partner in creating knowledge and providing support services to foreign national and Canadian youth.

The Government of Canada works with key stakeholders like GO International in Canada and abroad to raise awareness of the program, promote the benefits of international experience, and to equip Canadian youth with information to successfully embark on international work and travel experiences through IEC.
