Tamwood Summer Teen Camp (Vancouver)

Tamwood Summer Teen Camp is a program specially designed for young students who are interested in learning English and enjoying excursions, sports, and fun activities during the beautiful Canadian Summer.

The camp offers the same high quality instruction and organization that has made Tamwood famous around the world. Our English instructors are trained teachers who have extensive experience working with young people and all activities are led by qualified and caring staff.

Students have English lessons in the mornings and take part in different social, and sightseeing activities in the afternoon. Students can live with a Canadian family or in a self-arranged accommodation with their parents, relatives, or friends.
