At Tamwood's Future of Work Academy, students dive into the world of entrepreneurship, sustainability, and innovation through hands-on learning and real-world challenges. This immersive program is designed for curious minds aged 15–17 who want to explore how business, technology, and creativity intersect to solve global problems.

WHAT STUDENTS WILL LEARN

- ★ Understand global challenges by exploring Sustainable Development Goals
- ★ Apply human-centered thinking in Design Thinking & Ideation sessions
- ★ Build strategic plans using Lean Business Models & Target Personas
- ★ Craft compelling Value Propositions, Mission & Vision Statements
- ★ Analyze market opportunities with Blue Ocean Strategy & SWOT Analysis
- ★ Model financial viability through Business & Money Projections
- ★ Pitch their ideas with confidence in Professional Presentation & Storytelling Workshops

Led by industry experts, students work in teams to develop innovative projects, culminating in a final pitch presentation that showcases their ideas and impact. Parents are welcome to join the showcases online.

PROGRAM PRE-REQUISITES

- ★ **Age Requirement:** Must be between 15 and 17 years old
- ★ **English Proficiency:** Intermediate English speaking skills to ensure students can confidently participate in presentations and discussions.
- ★ **Public Speaking Skills:** Comfortable standing up and speaking in front of a group
- ★ **Willingness to Collaborate:** Openness to working with peers from diverse cultural backgrounds and actively contributing to group projects
- ★ Capacity to follow policies and rules with a positive and flexible attitude.
